

Ref. 1206

WASH MAGIC

Solid dishwasher detergent.

Super concentrated biodegradable solid detergent with excellent cleaning results for dishwashers. The packaging in the form of a replaceable cartridge, exclusive for dosing **PGS Systems**, makes installation easy and safe. Being a solid product, there is no risk of spills or splashes. The system strictly doses the exact amount of detergent during the entire washing process, reducing washing costs to a minimum. Designed for correct operation in hard water.
